The Durham West 4-H Tractor Pull at Sunderland Fair is the result of the hard work of the "Motorheads" throughout the 4-H year. The sign up is in March, the members find a lawn tractor, take off the mower deck, "tweak" it a little to make it into a puller and then they're ready for the season.

We participate at the annual Sunderland Maple Syrup Festival, as well as various steam shows and fairs in Durham Region. The Tractor Pullers also go to other areas that offer lawn tractor pulls, Cookstown, Orangeville, Fenelon Falls and Kinmount to name a few. Come on out and watch us in action on the Tuesday night. We look forward to seeing you!!
