President's Message

Welcome to the Sunderland Agricultural Fall Fair 2025 as we celebrate 172 years of bringing the country to town. The Fair has been a community tradition that began in 1851. I am proud to serve as the President again this year and our theme is “Sunflowers”.

I would like to encourage all, young and old to participate in the fair as there is a wide variety of ways to enter. Our Fair book is full of exciting classes that we update every year. We encourage the schools, students and families to get involved and we continue to work to make it fun, interactive and educational for all ages.

The fair has always been a place that we can meet up with our neighbours and friends. It has also become a great place to meet and welcome new members to the community.

I would like to thank all the sponsors and local businesses for your generosity and support that we rely on to make the fair a success. I would also like to thank the fair executive; board members and the many volunteers that work hard behind the scenes to make the fair happen.

At the time of the Fair book release the Sunderland Memorial Arena is scheduled to be closed for renovations. Stay tuned we plan to carry on and host a great fair!! Please check our website at agfair.ca, Facebook and Instagram for updates, schedules, locations and possible last minutes changes.

See you at the Fair!!
Debbie Brethour, President
Sunderland Agricultural Society & Fall Fair

Fair Ambassador's Message

I am truly grateful for the opportunity to serve as a Fair Ambassador and to represent the fair. It's an honor to be part of such a meaningful tradition that brings our community together and celebrates local talent, creativity, and hard work. This role has given me the chance to meet inspiring people, reconnect and learn valuable skills. This experience has been both rewarding and inspiring, and it has deepened my appreciation for the dedication that goes into making the fair a success. I look forward to continuing to share that excitement and pride with others.
